| Present research literature relevant to problem; follow an organizing principle that is evident to reader; section support one another to make persuasive argument that research is appropriate | Does not discuss criteria for inclusion and exclusion from review. No organizing principle is mentioned. Poorly organized, haphazard                  | Mentions inclusion and exclusion but does not elaborate/ Mentions organizing principle but does not elaborate. Some coherent structure.         | Discuss the literature included and excluded. Presents organizing principle. Discussion is coherent but could be further developed to indicate relevance of articles to addressing the problem | Justifies inclusion and exclusion of articles. Presents high quality sources. Presents organizing principle and applies it to the literature discussed. Well-developed, coherent discussion of the literature and its relevance. | 5     |        |

| Procedures: Describes the procedures used to conduct the study for sample recruitment, informed consent, maintaining data. Describes the steps taken during data collection and any interventions initiated (professional development activities). Provides rationale for any intervention. | Describes no procedures used to conduct the study for sample recruitment, informed consent, maintaining data. Describes no details of the protocols and steps taken during data collection. Describes no protocols for any interventions initiated (e.g., professional development activities). Provides no rationale for any intervention. Many questions remain about the procedures | Describes a few of the procedures used to conduct the study for sample recruitment, informed consent, maintaining data. Describes only a few of the details of the protocols and steps taken during data collection. Describes vague protocols for any interventions initiated (e.g., professional development activities). Provides weak, if any, rationale for any intervention. A few questions remain | Describes most of the procedures used to conduct the study for sample recruitment, informed consent, maintaining data. Describes most of the details of the protocols and steps taken during data collection. Describes protocols for any interventions initiated (e.g., professional development activities). Provides rationale for any intervention. | Clearly describes the procedures used to conduct the study for sample recruitment, informed consent, maintaining data. Describes the step-by-step details of the protocols and steps taken during data collection. Clearly describes protocols for any interventions initiated (e.g., professional development activities). Provides compelling rationale for any intervention.           | 3  |
| Instruments and measures: Describes the data collection instruments. Includes rationale for these instruments. Includes copies of actual instruments to be used.                                                                                                                            | Vague reference to the data collection instruments. Includes no rationale for the selection and format of these instruments in reference to other choices. Does not include copies of actual instruments to be used in the Appendix.                                                                                                                                                   | Lists the data collection instruments. Includes weak rationale for the selection and format of these instruments in reference to other choices. Does not include copies of actual instruments to be used in the Appendix.                                                                                                                                                                                 | Describes the data collection instruments. Includes rationale for the selection and format of these instruments in reference to other choices. Includes copies of actual instruments to be used in the Appendix.                                                                                                                                        | Fully describes the data collection instruments. Includes persuasive rationale for the selection and format of these instruments in reference to other choices. Includes copies of actual instruments to be used in the Appendix.                                                                                                                                                         | 3  |
| Data collection and analysis: Describes data analysis procedures, including coding methods and statistical analysis, if appropriate. Tie these closely to research questions.                                                                                                               | Vaguely describes data analysis procedures. Does not tie procedures closely to research questions.                                                                                                                                                                                                                                                                                     | Describes data analysis procedures, including coding methods and statistical analysis, if appropriate. Tie procedures to research questions.                                                                                                                                                                                                                                                              | Describes data analysis procedures, including detailed coding methods and statistical analysis, if appropriate. Tie these procedures closely to research questions.                                                                                                                                                                                     | Clearly describes steps of data analysis procedures, including details of coding methods and statistical analysis, if appropriate. Tie these closely to research questions.                                                                                                                                                                                                               | 3  |
| <b>APPENDICES</b>                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                           |    |
| Appendices. Includes supplemental material including copies of instruments as used in the study.                                                                                                                                                                                            | No Appendices when it is appropriate that they included.                                                                                                                                                                                                                                                                                                                               | Appendices include undeveloped or draft form of instruments used in study. Some errors in ACM formatting.                                                                                                                                                                                                                                                                                                 | Appendices include instruments used in the study with appropriate headings and centered on the page title. Uses ACM formatting correctly                                                                                                                                                                                                                | Appendices include instruments as used in the study with appropriate headings on the page title.
